On 17th and 18th June 1971, ten European border and cross-border regions set up a Standing Conference of European Border Regions at the Anholt Castle (EUREGIO, Westphalia)

*AEBR should make its activities more visible
by improving its communication
to show AEBR's and its members' activities,
be more efficient, more modern and stronger*

Ann-Sofi Backgren
AEBR First Vice-President
(address to AEBR members during AEBR General Assembly,
Oulu, Bothnian Arc, 20 September 2018)

*Cohesion Policy should keep, at least, the weight it has in the current period both in terms
of architecture and financing, addressing all EU territories and keeping local and regional
authorities involved as much as possible in the definition of regulations, the setting of
priorities and its relationship with other EU policies.*

Oliver Paasch
President of AEBR
(Contribution to Cohesion Alliance brochure, March 2018)
